HELLO

Nonee's World: A Visual Blog curated by Nonee Ngazimbi-Cunningham

Welcome to Nonee's World, a visual blog curated by a nurse practitioner and creative entrepreneur. I'm so happy that you are here! As the brand continues to grow and change, I have had the privilege to continue to chase my dreams as a life and style blogger and creatively as the founder of Connecticut Bloggers Collective. I am so incredibly proud of the continued growth as the brand builds and expands. Because of my platform Nonee's World, I have been allotted the opportunity to collaborate with local, national, and international brands that I could only dream of; some of which I have highlighted in the box below.

This media kit gives you all the information necessary to see if we would be a good fit. I am eager to hear your vision and see how it aligns with my own. The beauty of creative endeavours is the ability to be malleable creatively. I am sure we will find something awesome that works for us both! I am eager to see what magical content we can create together.

Sincerely,

Current
